

FACILITATION

**BUSINESS FACILITATION** Nils Vesk finds the ideas that have legs for your business

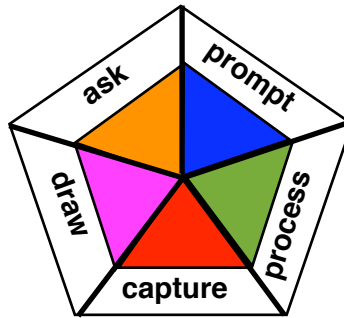

**WHAT'S IN IT FOR YOU?**

Think Andrew Denton meets Hugh Jackman

**Facilitation** is the art and science of blending smart questions with smart suggestions and summations.

Your facilitator Nils Vesk, has been facilitating and emceeing audiences for over 10 years. With the rare combination of being both a speaker, author and great listener. Nils provides an invaluable service of guiding your meeting to the highest level possible all while graphically recording the key points of the event through his conference cartography.

**FACILITATION & EMCEEING TO MEET AGENDAS & CREATE CHANGE**

**ADVANTAGES OF USING NILS**

**Energy management** - Nils is an energetic master and knows just how to get an audience's energy peaking.

**Multi talented**- Unlike other MC's Nils has a vast array of talents suited to emceeing. From a wealth of knowledge of energisers to thought provoking keynotes, Nils can mix and match the perfect solution for whatever challenge they may be.

**Return on investment** - we make sure that your money making ideas happen so you maximise your R.O.I.

**Processing power** - It's rare that you'll come up with an emcee with as much processing power as Nils. No matter how complex the topic or industry Nils has the capability to process and communicate the main topic points with every one of your event participants.

**TESTIMONIALS**

"Some words to describe what Nils Vesk did for us at our CBA conference. He led us, he guided us, he facilitated, he challenged us, and most importantly he helped us innovate and become thought leaders. He was fabulous, his style is terrific his energy is contagious and we'd use him again in a heart beat."

**BENEFITS**

**what's so good about our facilitation?**

**cartography** - unlike other facilitators Nils has the incredible skill of being able to graphically capture the key points of a discussion.

**ideation assistance** - your ideas are gold, we help you discover them so that you reap the rewards.

**aural recap/ summaries** - as a speaker Nils has the innate ability to summarise points verbally and communicate clearly, succinctly and elegantly.

**pre event planning** - whether it's a 3000 PAX event or 10 executives running a round table we love to help in planning how to get the best result possible.

**post event follow up** - we keep in constant contact pushing you and helping you succeed in achieving your agenda.

**HOW IT WORKS**

**ask** - Nils asks thought provoking questions in a way that is fun whilst designed to create action.

**prompt** - Nils prompts the audience into actively participating in the event both mentally and physically through his creative interactive activities.

**process** - Whilst other keynotes are being delivered Nils processes what points are being made and how to use them.

**capture** - Nils captures the key points being made.

**draw** - Nils illustrates the key points using pictures and word art. Finally Nils draws the event to close with his clear concise and action prompting summation.
